

## **RESOLVE (Safe Journey / Stand Up Guys)**

Resolve provides support for today's survivors of Domestic Violence as they transition to lives free from abuse and to prevent domestic violence in future generations through outreach and education.

This organization is an Outreach Ministry of Ecumenical Ministries of Perinton. Safe Journey provides services to individuals and/or families in the aftermath of domestic violence. Also provides counseling, advocacy, community referrals or other assistance as clients heal from their abuse.

It is through your generosity that Safe Journey is able to serve women and their children in our community who are breaking the cycle of domestic violence by courageously seeking help and changing their situation.
